

Where Construction and Design
Professionals Gather for Education,
Product Knowledge, and Networking

Wednesday, October 2, 2024
Hawai'i Convention Center, Honolulu, HI

Aloha,

We are excited to announce that AIA Honolulu, Honolulu CSI, and GCA of Hawaii have forged a joint venture partnership this year to produce PBX Hawai'i, the state's premier trade show for the construction and design industries.

PBX 2024 returns to the Hawai'i Convention Center on Wednesday, October 2nd and we invite your company to take advantage of this exceptional opportunity to display your products and services to the hundreds of architects, contractors, engineers, specifiers, developers, interior designers, and military and government officials we expect to attend.

Reserve your space now and meet them face-to-face in one day!

With a nominal admission fee for AECO professionals, attendees will enjoy a showcase of the latest products in the Exhibit Hall plus 16 expert-led, AIA-accredited seminars and a hosted Pau Hana reception with pupu and prize drawings.

The 200+ exhibit spaces are expected to sell out and will be assigned in the order that reservations are received. **Early Bird rates are available through May 31, 2024 – one more reason to act now.**

You will see from the attached Registration Form that exhibitor "upgrades" and sponsorship opportunities are available to elevate your company profile at the event, on the PBX website, and on our Whova event app, giving you added promotional value for your investment.

Don't miss out! Reserve your booth space by placing a deposit online at pbxhawaii.com or complete the attached Exhibitor Registration form and email to Barbie Rosario, barbie@pbxhawaii.com.

Thank you for supporting Hawai'i's construction and design industries. We look forward to seeing you this October 2nd at PBX!
